Entering from a small covered porch, the Driftwood welcomes you with an open foyer that flows into a study on the left, a family room ahead, and the attached 2.5 car garage to the right. A closet, utility room, and powder room bridge the garage and foyer. The family room is spacious and bright with a vaulted ceiling and wall of windows overlooking the rear covered porch. Adjacent is the kitchen and dining area, with a modest island and walk-in pantry. Two bedrooms and a bathroom branch off of the kitchen, and the master suite with two walk-in closets, oversized shower, and soaking tub is situated on the opposite side of the home.
