The entrance of the Velasco features a covered porch and a short foyer. Branching off from the left of the foyer, two bedrooms and a full bathroom make up the living quarters while a master suite with a large walk-in closet is situated on the opposite side of the home. Adjoining the two sides, the family room is partially open to the kitchen, which features open counter space and an eating bar, a walk-in pantry, and a dining area. The utility room adjacent to the kitchen can act as a third point of entry with the optional attached 2-car garage.
