Entering the Hidalgo from a long covered porch, the foyer immediately opens up into a dining room to the left and family room ahead. The kitchen and breakfast area are situated to the left of the family room, with multiple points of entry and a large eating bar near the rear exterior door. The master suite, complete with a large walk-in closet and soaking tub, is accessed on the left side of the home by a hallway passing the kitchen and dining room. On the right side, three bedrooms, a utility room, and a full bathroom branch off from the family room.
