If you enjoy hosting holidays and entertaining guests, the Preston is the perfect home for your family. The foyer at the front entrance opens into a dining room to the right, with an adjacent powder room and large utility room. The study to the left is perfect for a lounge, home office, or extra bedroom. At the center of the home, the large family room flows into an open breakfast area in the kitchen. Three bedrooms and a bathroom fill out the left end of the floor plan, and a luxurious master suite with a large walk-in closet and soaking tub sits on the right.
