The Lone Star is designed for impressive entertaining! Entering the home through double front doors on the wide covered porch, you'll find yourself in a large welcoming foyer. There, you'll find a private study with a built-in bookcase on one side and a spacious family room ahead. The family room features a raised ceiling and leads to an oversized rear covered porch. The kitchen includes a walk-in pantry with additional freezer space, a large island for eating or preparing food, and attached dining area. The master suite boasts two walk-in closets, a grand bathroom with a soaking tub, his-and-hers vanities, and an oversized shower.
