The Woodland GR, part of Tilson's Estates of Texas Grand Ranch collection, offers a spacious single-story design perfect for families seeking comfort, flexibility, and lasting value in a Texas acreage home. The open-concept family room, kitchen, and dining area create a natural gathering space, with raised ceilings and wood beams adding warmth and character. The kitchen features a large eating bar and walk-in pantry, perfect for daily living and entertaining.

The private master suite feels like a retreat, with a dual vanity, oversized tile shower with seats, soaking tub, and two large walk-in closets. Secondary bedrooms are conveniently placed with nearby bath access, while a fourth bedroom with its own bath and walk-in closet is ideal for guests or family members needing privacy. A study near the foyer offers a quiet space for work or reading. Practical features like a drop zone, utility room, multiple covered porches, and a two-car garage enhance daily life.

Like all homes in the Grand Ranch Collection, the starting price includes essential site preparation
