The Breckenridge floorplan offers a spacious, functional layout with modern touches. The family room features a raised ceiling and connects seamlessly to the kitchen with a large eating bar, 36" cooktop, microwave over oven, and large walk-in pantry. The master suite features a raised ceiling, large dual walk-in closets, and a luxurious bathroom with a soaking tub, dual vanities, and an oversized tile shower with a seat. Two additional bedrooms, each with walk-in closets, share a bathroom. A study, powder room, and utility room with dedicated washer/dryer spaces add convenience. The home also features a dining room, covered porch, and garage, blending practicality with style.
