Story

The Whitney is a spacious home with plenty of large windows throughout to fill it with natural light.

The foyer opens into a family room with a raised ceiling, open to the dining area attached to the kitchen. The kitchen features an eating bar separating it from the family room, a center work island, and a walk-in pantry, with extra freezer space in the adjacent utility room. The master suite on the opposite side at the rear of the home has two large walk-in closets, dual vanities, and a walk-in seated shower. Two bedrooms with walk-in closets and a full bathroom make up the living quarters toward the front. Front and rear porches complete this gorgeous home.
