The Palo Duro GR, part of Tilson's Grand Ranch collection, blends smart design with Texas acreage charm. Its open-concept family room, kitchen, and dining area feature raised ceilings and wood beams for a welcoming touch. The kitchen includes a large eating bar and walk-in pantry. The private master suite offers a dual vanity, oversized tile shower, and walk-in closet, while two additional bedrooms with walk-in closets share a nearby bath. A study near the foyer adds flexibility, and the home includes a drop zone, utility room, covered porches, and a two-car garage, making it practical and timeless.

As with all homes in the Grand Ranch Collection, the starting price includes essential site preparation services, ensuring a transparent and straightforward planning process. These services eliminate surprises and provide clarity from the beginning. View the full list of included property services.
